

Royal Life Saving Society (Australia) – NT Branch Inc.

MEMBERSHIP APPLICATION 2023-2024

The Royal Life Saving Society Australia’s mission is to prevent loss of life and injury in the community, with the emphasis on aquatic environments. The Royal Life Saving Society is a non-profit, benevolent society and we rely on your support to ensure services continue to be provided to the wider community. Your membership fees are tax deductible and will be used to develop and promote community based programs relating to water safety issues. **Membership is from June 1, 2023 – June 30, 2024. Members will receive a monthly on-line newsletter, an invitation to our Family Christmas party and other member events, and 5% discount on RLSSA-NT training courses.**

The Royal Life Saving Society (Australia) – NT Branch

CODE OF ETHICS

All Royal Life Saving Society Australia's Office Bearers, Administrative staff, Professional staff, Volunteers and Members are required to abide by the following Code of Ethics.

- Respect the rights of others, treating everyone equally and fairly and showing no discrimination in regards to sex, age, disability, religion or cultural background.
- Uphold the Objectives of the Society and abide by its Policies and Procedures.
- Ensure that all your activities associated with your role in the Society are exercised to the best of your ability and carried out with honesty and integrity.
- Conduct yourself in a professional manner ensuring your actions and behaviour do not compromise the Society's standing in the Community.
- Commit to a positive, open, supportive and honest cultural framework within which the Society operates, and encourages others to operate similarly.
- Compete within the spirit and sport rules of Pool Lifesaving.
- Acknowledge and accept responsibility for your actions.
- Never make comparisons or statements about the Society, Members of the Society, employees of the Society or the public that are not based on verifiable facts.
- Do not enter into any agreement or undertake any activity which may be in conflict with the Society's interest or which would prejudice the performance of its operations.
- At all times safeguard the Society's interest by not knowingly being party to, or undertaking in, any illegal, unprofessional or unethical activity.
- Do not use any confidential information gained from the Society for personal gain, or in a manner that would be detrimental to, or compromise, the reputation or the activities of the Society.
